WHY REGISTER?

Many convention participants ask the question, "Why should I register for the convention? What do they do with the money?"

The money that is collected from registration is how we pay for all of the hotel and convention facilities that we use during the convention, as well as all the associated service expenses. It is also how we pay for all of the items contained in the registration packets, and in the future planning of this convention. These expenses include the meeting space, printing costs of flyers, programs, general supplies, entertainment, and catering.

We believe that once participants understand that it is fees from registration that make the holding of this event possible, and that all of the funds collected for this convention are used as seed money for the next Mid America Regional Convention, and are used to further our primary purpose; to carry the message to the addict still suffering; during the coming year, the question "Why Register?" will be answered.
